## THE WORK OF LIFE SAVERS

Gravity of the Texas Flood Situation Increasing.

are Surrounded by Polsonous TratusGenerally Suspended-Many Stories of Drowning and Disaster.

(By Telegraph to Virginian-Pilot.) Duke, Texas, July 7.—The flood situa-tion is more grave to-day. The river rose two feet during the night and is still rising. The life savers from Galveston started out soon after daylight and are doing splendid work.

The Galveston crews brought in 68 refugees last night from the high embankment at the Santa Fe bridge over the Brazos, where the people had taken refuge. Refugees are flocking in from all sides of the river. Four deaths by drowning are reported near here in the last 24 hours. The dead are:

ONE THOUSAND PEOPLE PERISHING.

St. Louis, July 7.-A special to the cost Dispatch from Austin, Texas,

Governor Sayers to-day received a message from Sealey over the long distance telephone saying that 1,000 peosons who had taken refuge on a mound three miles below there are slowly perishing for want of food. To add to the horror, the unfortunates are surrounded by poisonous reptiles. Huddled together with the human beings are several hundred of live stock. A number of those on the mound have received bites from the reptiles and are in a dying condition.

THE SITUATION IN RICHMOND.

bites from the reptiles and are in a dying condition.

THE SITUATION IN RICHMOND. Richmond, Tex., July 7.—Never in the history of Richmond were such scenes witnessed as are depicted to-day, Business is practically suspended. Many plantations are under water. All trains save those on the Southern Pacific West have been abandoned. Provisions are running low and unless something is done quickly there will be great suffering here within a few days. It is believed there will be, at the very least, from 3,000 to 5,000 persons to feed from this place within a week. Stories of drowning and disasters are coming in constantly, but they cannot be verified, although it is probable that many of them are correct. The water has reached the river bridge and is dashing between the iron guy rods under it and for the first time the railroad company has stopped all traffic over it.

A LIBERAL DONATION.

New York, July 7.—The New York Mutual Life Insurance.

New York, July 7.—The New York Mutual Life Insurance Company, through its president, Richard A. Mc-Curdy, to-day telegraphed to Governor Sayers, of Texas, to draw on that company for the sum of \$5,000 in aid of the sufferers of the Brazos river floods.

(By Telegraph to Virginian-Pilot.)

Detroit, Mich., July 7.—The meeting in Tent Williston took the form of a memorial service. Eulogies were delivered upon the life and character of Gladstone, Frances E. Willard and George Mueller. Dr. Clark presided.

Forceful words of love and appreciation concerning the character of Frances E. Willard and George Mueller. Dr. Clark presided.

Forceful words of love and appreciation concerning the character of Frances E. Willard were spoken by Miss Jessie Ackerman, of Chicago. Her address was always impressive and sometimes pathetic. Miss Ackerman said that Miss Willard would be best known in history as a philanthropist and reformer.

WILL WILLARD, GLADSTONE AND MUELLER.

Rev. Dr. John Pollock, of Glasgow, Scotland, eulogized William E. Gladstone, whom he characterized as the most commanding figure of the nineteenth century, as Washington was the most commanding figure of the eighteenth.

"George Mueller, the apostle of pray-creating from the dis-bandment of the Scranton club, was held here at the Hotot Hanover to-day. Mr. Barrow presided and the clubs represented as follows: A. K. AN ABSURD RUMOR.

BOUTHERN AND L. & N. RAILWAY WILL NOT CONSOLIDATE.

(By Telegraph to Virginian-Pilot.)
Atlanta, Ga., July 7.—The Constitution to-morrow will say:

"The rumor that the Southern and Louisville and Nashville are to be consolidated is regarded as absurd by railway men. The two systems are working in harmony, but no one who understands their relations gives the slightest credency to the report that they are to be merged.

"The rumor that the consolidation of the two great systems would occur was an inference drawn from the rumor that Mr. Culp expected to go with the Louisville and Nashville. Even if that were true, the inference would be pricedous. Railway men laugh at the shole matter."

#### JEFFRIES-SHARKEY.

SAN FRANSCISCO MAKES BIDS FOR THE FIGHT.

(By Telegraph to Virginian-Pilot.)

San Francisco, Cal., July 7 .- No soon er had Champion Jim Jeffries landed in this city than local promoters began working to secure the fight between Jeffries and Sharkey. The first offer came from Charles Newman in the shape of a certified check of \$5,000, de-posited with a morning paper as a guarantee of his sincerity in the af-fair.

JEFFRIES' PREFERENCE.

Jeffries has this to say about fighting in San Francisco: "California is my home, and I would rather fight Tom Sharkey here than any other epot on earth. If there is any possibility of bringing off the bout in San Francisco I will do all in my power to encourage it."

WILL WIN THE GOLF CHAMPION-SHIP FOR 1899.

Onwentsia Golf Course, Lake Forest III., July 7.-The golf championship for 1899 will be won by an Eastern man-

H. H. Harriman, of the Meadewbrock Golf Club, of Hempstead, L. I., and the present champion, Findlay S. Douglass, won the semi-finals in the amateur golf tournament at Onwentsia to-day, and to-morrow will meet in the deciding struggle for the championship. It will be a Scotch golfer against a native American. Harriman, who formerly played football and baseball at Princeton, won so impressively to-day from his opponent, Charles B. McDonald, and displayed such good form in every phase of the game that to-night many of the golfers, who have followed the blay of the two men throughout the week, are of the opinion that Douglass will be pressed harder in to-morrow's game than in any he has had during the present week, and will have to be at his best to retain the championship.

The general belief is that the game will not be won by more than two or three holes by either man.

McDonald's defeat by Harliman removed the last Westerner from the list of contestants. This game, because on it depended whether or not a Westerner would centest in the finals, proved a lodestone to the enthusiasts who came out to view the final struggles, and an unusually large gallery closely followed the play both during the morning and afternoon. McDonald's work was a decided disappointment to his friends. Harriman played consistent golf throughout.

Champion Douglass had an unexpectedly hard struggle to win from W. J. Travis. These two met last year in the semi-finals, Douglass securing a decisive victory. To-day, however, although Douglass finished the first 15 holes four up, the game was not decided until the 35th hole had been negotiated.

Douglass, apparently confident in his ability to win, played carelessly, and to this fact was due the close score. H. H. Harriman, of the Meadewbrock Golf Club, of Hempstead, L. I., and the

# CANCER OF CURED

## TO THE SUFFERING PUBLIC:

For the benefit of those in doubt, I wish to say in behalf of Dr. J. Silis Daniel and the Dr. Daniel Remedy Company, of Richmond, Va., I went to them as a last resort. I had given up all hope of ever being cured. I was affilted with Cancer of my left arm, near my shoulder. I had it cut, out three times at intervals of twelve months. Each time it returned larger and grew more rapidly. I took S. S. S., three B's and other blood remedles without relief. The best surgeons in Baltimore, Washington and Roanoke, Va., operated on me, with results enumerated above. I was in the Daniel Sanitarium seven weeks. They REMOVED MY CANCER and when it becomes better known will make Dr. Daniel and the Company not only rich, but as famous as Koch, Pasteur Lam cured, permanently so and will make Dr. Daniel and the Company not only rich, but as famous as Koch, Pasteur
